Emergency Lifeboat Drill for all Guests & Crew

4:00pm

At the sounding of the ship's alarm, guests should proceed to your assembly station as noted on the back of your stateroom door. Ship's staff members will direct you from there to your lifeboats.

The purpose of this drill is to familiarize you with our routine emergency procedures. **Please note:** Participation is mandatory according to Safety of Life at Sea regulations (S.O.L.A.S.).

All guests are requested to be onboard no later than 4:45pm. Azamara Journey sails for Halifax, Canada at 5:00pm.

Welcome Aboard Dinner Buffet with Seafood Live Station

Please sign up at the Guest Relations Desk. Cover charge per person is \$70.00

Casino Luxe

Texas Hold'em Players.....
Plenty of Texas Hold'em tournaments and cash games available. Check with our casino staff for times.

Interactive Television

Azamara Journey's Interactive Television System (I-TV) gives you access to a wealth of information and services, in the comfort of your own stateroom. Through I-TV, you have access to many features, including:

- Pay-Per-View Movies
- Ordering Food & Wine from Room Service
- Free Videos
- Reviewing your KeyCard Account
- Booking Azamara Shore Excursions

Public Health Advisory

Guests are strongly encouraged to frequently wash their hands thoroughly with soap and hot water after using the restroom and before eating or handling food. Medical experts say this is one of the best ways to prevent illnesses from starting or spreading.

KeyCard

In addition to functioning as your boarding pass and stateroom key, your KeyCard can also be used throughout the ship for any purchases or services you may desire. In case of Emergency while in port, call collect 01-305-982-2700. At the end of the cruise you will receive an itemized account statement that can be settled in cash or travelers checks. Accepted credit cards are: MasterCard, Visa, Discover Card and American Express.

Ship's Dress Codes

Appropriate attire on Azamara is always resort casual. Guests are encouraged to wear formal attire on our two formal nights this voyage. Please note: No bare feet, tank tops, ball caps, bathing suits, shorts or jeans are allowed in Discoveries dining room, Aqualina or Prime C. Although the proximity of Windows Cafe to the pool is close, guests are asked to cover up and wear shirts & footwear at all times in the Windows Cafe.

Smoking Area

Azamara Journey has one designated smoking area. The area is located on the starboard section of the Pool Deck. The smoking area has a sign indicating that smoking is permitted there. All other areas of the ship are non-smoking.

Safety First

Emergency instructions are posted on the inside of your stateroom door. Please read these instructions carefully and familiarize yourself with them. All guests are requested to please make sure you have the proper amount of life jackets (one per adult) in your stateroom; the life-jackets are located in your closet. Please ask your Stateroom Attendant for children/ infant life-jackets, or additional adult life-jackets if necessary. Please note: life-jackets are not to be removed from staterooms except in the event of a real emergency.

Bed Configuration

Your Stateroom Attendant can easily have your twin beds converted to a double bed (or a double bed into twin beds), if you wish. If you occupy an upper berth, your Stateroom Attendant will arrange for this to be set up during evening turndown service. If you wish to have the berth open during the day, please advise your Stateroom Attendant.

Needle & Medical Waste Disposal

Please do not dispose of medical waste, new or used needles or syringes in your stateroom trash container. Contact your Stateroom Attendant or the Medical Center for an appropriate (Sharps) disposal container and further instructions.

Climate Control

Your stateroom, like the rest of the ship, is fully air-conditioned. The temperature can be controlled by an individual thermostat. We kindly ask that you refrain from leaving verandah doors open, as this reduces air conditioning efficiency and causes excess humidity. It will also help prevent flies and other insects from entering the ship while we are in port.

HELPFUL HEALTH INFORMATION

Medical experts tell us that the best way to prevent colds, flu, or gastrointestinal illnesses – such as a Norovirus that can be transferred easily through person-to-person contact – is to simply wash your hands thoroughly with soap and warm water after restroom breaks and again before eating anything.

Symptoms of Noroviruses include an upset stomach, vomiting and diarrhea. According to the U.S. Centers for Disease Control and Prevention, Noroviruses affect 23 million Americans on land each year. In fact, the only illness that is more prevalent is the common cold.

Should you experience any gastrointestinal illness, please visit the ship's medical facility for a complimentary consultation and treatment if necessary.
