

AS YOU DEPART...

It has been a pleasure to have you onboard with us! As you look ahead to disembark the ship tomorrow, please consider these options:

- **Option 1 SELF ASSIST DEBARKATION:** Due to limited space in the Charleston passenger terminal building, we kindly suggest that you consider taking the self assist option. This means that you need to bring your luggage from your state room to the forward elevators in the morning at the designated times. Keep in mind the elevators will only be available on your deck during the designated times listed. We do advise all guests that are able to manage their luggage to consider taking this option.
- **Option 2 RELAXED ZONE DEBARKATION:** If you wish to enjoy a little more time on the ship tomorrow morning, please take advantage of our Relaxed Debark by simply leaving your bags outside your stateroom this evening. Your bags will be collected onboard then taken off in the morning and delivered to the terminal while you enjoy a cup of coffee with us. You will meet in the Universe Lounge at the designated times listed and then led to the gangway by our staff.

Here are 5 quick steps that will make your debark process easy...

STEP 1 - THE NIGHT BEFORE

- Review the Cruise Director's Debarkation Talk on channel #17 in your stateroom television.
- Remove all used Carnival luggage tags and attach a new Blue Luggage Tag on every piece of luggage. Keep the tear-off section as a reference. Extra tags are available from your stateroom steward.
- If you decide to choose option 2 (Relaxed Zone Debarkation) place your bags outside your stateroom between 8:00pm and 12Midnight this evening before arrival in Charleston.
- Please remember to keep some clothes out for tomorrow's departure and hand carry any important personal items such as medication, valuables, etc.
- If you choose option 1 (Self Assist Debarkation) please keep your luggage in your stateroom until you leave the following morning. It is not necessary to place the Blue Luggage Tags on your luggage.

Please be sure to have this information handy to assist you with debarkation.
