Celebrity Life

Life has always been good on Celebrity, and now, life is even better. Introducing "Celebrity Life" a new series of palate-pleasing, life-enhancing programs designed to bring you the most enjoyable sophisticated experiences at sea.

We're bringing you industry-first alliances with some of the world's leading authorities on topics ranging from languages to destinations. This new intellectually-enriching program is sure to deliver something you have always wanted to do or learn, and maybe a few things you never even thought of.

Built on the long-established pillars of the Celebrity brand - Culinary, Enrichment, and Wellness, Celebrity Life offers three distinct programming tracks: "Savor," "Discover," and "Renew."

Savor the Moment

The savor series has been shaped by our very own award-winning chef Jacques Van Staden to take an already stellar culinary experience to new heights with eight new wine enrichment events, six spirits and mixology tastings, and over seven different interactive programs. The Savor series is centered around Celebrity Cruises' industry-leading food and beverage programming: "Celebrity Vineyards," "Signature Spirits" and "Food as Art." Your host, "The Foodie," is John Kourounis.

Discover a World of Possibilities

The Discover series offers over 60 enrichment events. Thanks to Celebrity's partnerships with organizations such as Rosetta Stone® and Smithsonian Journeys, you are sure to create memories like no other at sea. You can achieve a working knowledge from your choice of 13 languages during Language Learning with Rosetta Stone®. On select sailings, you can gain new insight on a vast array of topics, including history, culture, art, and architecture, from world renowned Smithsonian Institution experts. Your host, "The Cosmopolitan," is Maria T Kelly.

Renew Yourself

Renew introduces a more goal-oriented approach to classes, seminars, and treatments. Renew is available onboard through AquaSpa by Elemis, and offers an expansion of spa and wellness services designed to help you feel better, live longer, and look younger. Your spa experience has been redefined with an innovative mix of beauty and wellness options ranging on everything from deluxe facials to acupuncture treatments to gravity training. Health Advisory

Medical experts tell us that the best way to prevent colds, flu, or gastrointestinal illnesses - such as a Norovirus that can be transferred easily through person-to-person contact - is to simply wash your hands thoroughly with soap and warm water after rest room breaks and again before eating anything. Symptoms of Noroviruses include an upset stomach, vomiting and diarrhea. According to the U.S. Centers for Disease Control and Prevention, Noroviruses affect 23 million Americans on land each year. In fact, the only illness that is more prevalent is the common cold. Should you experience any gastrointestinal illness, please visit the ship's medical facility for a complimentary consultation and treatment if necessary.
