Welcome Aboard!

Captain Vincenzo Lubrano, the Officers and Crew, take pleasure in welcoming you aboard Dawn Princess. We will make every effort to make this 2010 World Cruise a memorable experience.

Meet your Captain

Captain Vincenzo Lubrano

Captain Vincenzo Lubrano was born in Napoli, Italy. He grew up in Procida, a beautiful island off the coast of Napoli.

Always having a dream to be Captain on a big cruise ship, he started his career at sea with tankers, and then joined Princess Cruises in 1990 and progressed through the ranks to become Captain in 2006. He commanded the Pacific Princess and was very proud to debut the Royal Princess in 2007.

He spends time between Italy and the United States with his wife Kristin and his family.

PUBLIC HEALTH REMINDER

As many minor ailments can be transferred from one person to another via surface contact areas, such as handrails and counter tops, we encourage the frequent washing of hands, particularly prior to taking meals. Other tips to enjoying a healthy cruise include:

- Using the serving utensils provided in the self-service buffet areas
- Collect a new plate if returning for seconds or an after meal treat
- Avoid spicy or exotic foods if you don't normally partake in them. If uncertain, feel free to ask our staff for a recommendation
- When eating ashore, look for cafés and restaurants that appear clean and well presented
- We recommend choosing bottled water for refreshment. These simple precautions will help us all maintain a healthy shipboard environment.

MEDICAL CENTER - 5:00PM-6:00PM

 The Medical Center is situated on Deck 4. Access is via the starboard forward elevator or stairs near the Passenger Services Desk, Deck 5.

IN CASE OF A MEDICAL EMERGENCY CALL 911
A few points to remember if you suffer from seasickness: Take medication before you feel unwell, or if you are already unwell, take medication immediately rather than relying on "mind over matter". Dramamine is available from the Shop on Deck 6, or at the Passenger Services Desk if the Shop is closed. If all else fails, an injection is available at the Medical Center, which is generally very helpful. It makes you sleepy for a few hours, but is much more effective than tablets once you are feeling ill. If you need help at any time outside clinic hours, please CALL 911.

SHIPBOARD SMOKING POLICY

For the enjoyment of the public lounges and facilities, indoor areas onboard Dawn Princess are non-smoking.

Outdoor smoking areas are clearly posted throughout the vessel. Although smoking is permitted in staterooms and balconies, it is discouraged as a safety precaution and as a courtesy to the next occupants of your stateroom.

You are kindly reminded to respect your fellow passengers, particularly when smoking on the balcony.

DRESS CODE

Sportswear and casual clothes are suggested during the day. We request that you not wear swim or beach wear in the public rooms, lounges, all food outlets and dining rooms.

We suggest the following guidelines for evening wear (from 5:30pm onwards)

Formal: Evening gowns or cocktail dresses for ladies. Tuxedos, suits or slacks with dinner jackets for men.

Smart Casual: Ladies dine in comfortable skirts or dresses, slacks and sweaters or blouses. For men, pants and open-neck shirts are appropriate.

PRINCESS SHORE EXCURSIONS

Located on Deck 5, in the Atrium Plaza

Tour Office Hours: 6:00pm to 8:00pm

Shorex Manager: Dave Gregory

So glad you've joined us on the World Cruise! There is no need to stand in line to book a tour! Just complete your booking form and drop it in the 24-hour drop box located in front of the Tour Office and the tickets will be sent to your stateroom. Please check our Sold Out Board prior to booking to avoid any disappointment.

If you pre-reserved your tours, the tour tickets will be delivered today by your stateroom steward. In your stateroom you should also find booking forms for the remainder of our journey.

Please check your pre-reserved tickets carefully to ensure they are for the correct tours and that you have a ticket for each member of your party. If travelling in a group, please make sure you are all on the same tour. The meeting time and location for each tour will be listed in the Princess Patter delivered to your cabin the night before each port of call.

If any member of your party is using a wheelchair or has mobility difficulties, please come and see us so that we can check whether the tours are suitable and assist you with special arrangements. Unfortunately, in many ports, wheelchair accessibility is not always possible.

Tour tickets can only be cancelled, refunded or exchanged until 6pm, two days before we arrive in each port. You will also be notified in the Princess Patter as each cancellation deadline approaches. A full list of closing times for cancellations is also posted on the notice board at the tour office.

CANCELLATION DEADLINE:

Antigua tours: 6:00pm Tuesday, July 27

Tickets for the above port cannot be cancelled, switched or refunded after the listed time. You may use our 24-hour drop box to return tour tickets before the closing time for cancellations.
