TONIGHT'S DRESS: FORMAL

## Holland America Line Explorations

For almost 140 years, Holland America Line has been exploring the world, and now, in partnership with some of the leaders in their fields, we've created a groundbreaking new selection of activities:

**Explore Our World** - Our Travel Guide Ian presents a series of discussions about the places we visit and is happy to answer all of your questions.

**Explore Food & Entertaining** - In our state-of-the-art Culinary Arts Center presented by Food & Wine Magazine, our Party Planner Rashida hosts a series of shows: From throwing a memorable party, to picking the perfect bottle of wine.

**Explore Technology** - We've partnered with Microsoft Windows to launch the first entirely complimentary digital program at sea. At your own pace, you can get comfortable with the on-line world. From photo-editing to social networking; our Techspert Chris will show you the way.

**Explore Well Being** - Our Lifestylist Lance's Mind, Body, Spirit program offers varying paths to personal growth. Beginning with complimentary Tai Chi for all ages each morning, through a host of fitness and wellness events. The complete list is inside each day. So go ahead... go explore!
