Welcome aboard the spectacular Island Princess®, where comfortable elegance and an incredible variety of activities, dining

and entertainment options await. Stop by La Pâtisserie for a latte or specialty coffee drink, browse the masterpieces on display in the Art Gallery and stop by the Internet Café to stay in touch with home.

If you're in the mood for tranquility, you may choose to spend your day at The Sanctuary, our relaxing retreat exclusively for adults. Or perhaps you'd enjoy some pampering at the Lotus Spa®, or a chance to unwind poolside. These refreshing experiences can be the prelude to the delicious temptations of fine Italian cuisine at Sabatini'sSM. Or perhaps you'd like the unique experience of listening to live jazz as you taste the flavorful Cajun and Creole dishes served inside the Bayou Café & Steakhouse. After dessert, the excitement continues. An array of activities including our thrilling Princess Casino, captivating Broadway-style shows and the big-screen action of Movies Under the Stars® offer you dazzling options for entertainment throughout the ship.

With so much to discover and enjoy, Island Princess has everything you need to escape completely!

From the Navigator

A very warm welcome on board Island Princess from all of us here on the bridge. Once all passengers and crew are confirmed on board this evening, we will strike the gangways, let go our mooring lines and proceed out of the harbor. Once clear of the buoy channel we set a southerly course across the Florida Strait and the morning after through the Old Bahama Channel.

Smoking Policy

For the enjoyment of the public lounges and facilities, indoor areas onboard Island Princess are non-smoking. Smoking is only permitted in designated sections of the Casino. For those passengers who would like to enjoy a cigar or pipe, Churchill's Cigar and Spirits lounge is located on Promenade deck 7. Smoking cigars or pipes outside of this lounge is not permitted. Outdoor smoking areas are clearly posted throughout the vessel. Smoking is not permitted in staterooms and balconies. Violations to this non-smoking policy will result in a \$250 fine for each occurrence, which will be charged to the passenger's stateroom account.

Employee of the Month

Cerwin Sukanob, AB Helmsman

I came from a small town of Sto. Niño, province of South Cotabato, Philippines.

I started my career with Princess in 2004. Princess Cruises is a world class cruise ship company and being a part of Princess is really rewarding.

I join Princess for the future of my children and to do my work to the best that I can be. My future plan is to save a lot and hopefully be with my loved ones to stay home with my wife and my children, watch them grow and guide them to the right path.

Complete list of today's happenings are inside.
Look for Crew's Choice events.

Security Information:

For local law enforcement call 911 from any cellular or public telephone ashore.
