

DAWN-CLASS SHIPS: Norwegian Star (shown) • Norwegian Dawn (visit ncl.com for deck plans)

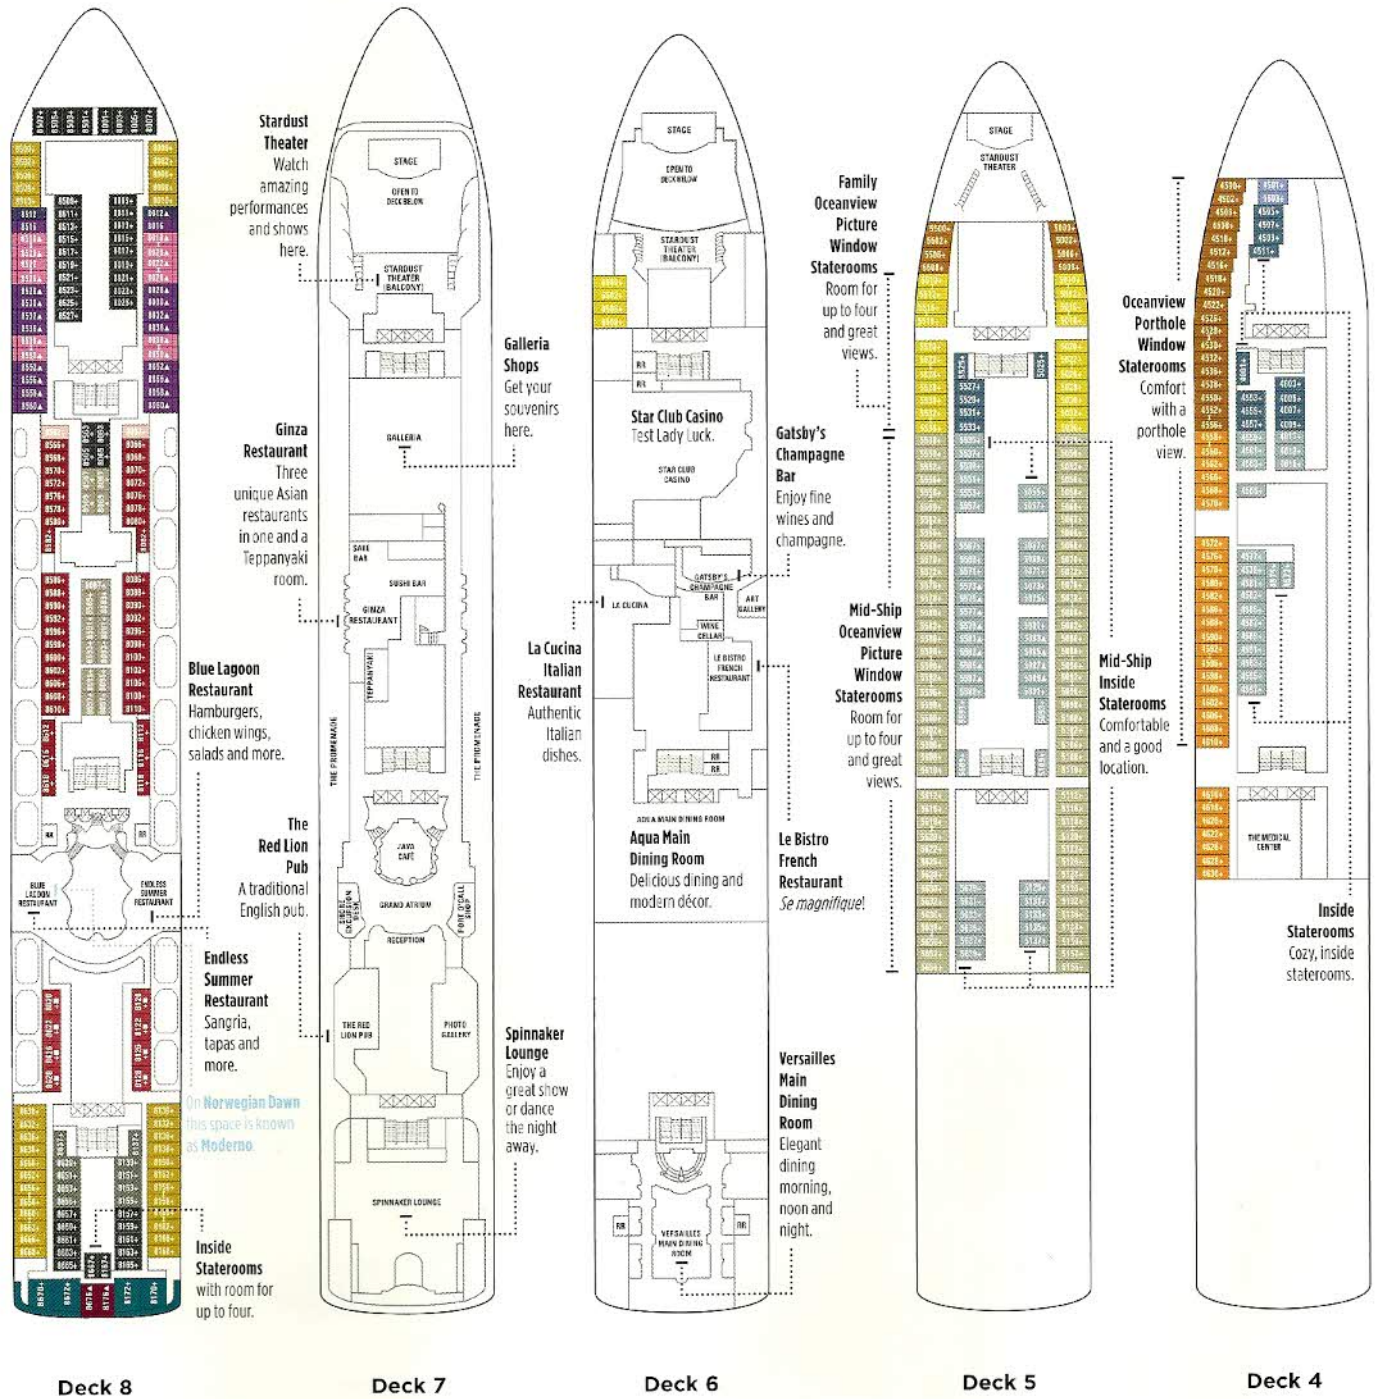

These ships were built to show off a little with up to 15 dining options to choose from, including two main dining rooms, buffets filled with something for everyone and more exciting dining options that are included in your cruise fare. For a fee you can also experience our newest restaurant the Brazilian-inspired Churrascaria, the authentic Italian eatery or one of our other delicious specialty restaurants. And with up to 9 bars and lounges, you'll be free to dance the night away or just enjoy a romantic nightcap for two. Plus the wide array of accommodations includes the largest suites at sea—the 6,694-square-foot Garden Villas. You may notice a family resemblance to the Jewel-Class ships, that's because Norwegian Star and Norwegian Dawn were certainly their inspiration.
