

# SUN-CLASS SHIPS: Norwegian Sun (shown) • Norwegian Sky (visit ncl.com for deck plans)

As the first ships ever designed and built for Freestyle Cruising, they are among our favorites. Relax at the oceanview Spa. Bring your friends to the Champagne Bar. Try your luck at the casino, and then have dinner at your choice of up to 15 dining options including two main dining rooms, a plentiful buffet and more included in your cruise fare. Or, for a fee you can enjoy the newest restaurant on Norwegian Sun, Moderno Churrascaria—the Brazilian inspired steakhouse that first debuted aboard Norwegian Epic, or one of our other delicious specialty restaurants.
