WELCOME TO BARBADOS

ARRIVE: 6.00AM

OVERNIGHT

Watching the Atlantic surf crash down on the rugged east coast of this richly diverse island and, for a moment, you may feel you could be on the Cornish coast but the moment you hear the waves of gospel singing emanating from a tiny local church you realise you could not be anywhere else but Barbados. While, over on the sheltered west coast, the glorious beaches are pure Caribbean. And there are more beaches and a lot more bars, cafés, restaurants and clubs creating a vibrant 24/7 lifestyle on the south coast, too. In the capital and cruise port, Bridgetown, there are intriguing signs of its British colonial past while, across the island, you are really spoilt for choice. You can enjoy every watersport under the sun; stunning nature walks and bike rides; or maybe a trip to the uniquely magnificent Harrison's Cave underground complex of caverns, waterfalls, stalactites and stalagmites.
