

Alcohol and Gaming - Due to itinerary specific laws, the legal drinking age onboard is 21 and the gaming age is 18.

Bridge & Engine Room Tours - Current regulations regarding safety and security restrict non-authorized access to our navigational bridge and engine room. However, a tour of these areas is included in the Cruise in Review DVD, available in the Photo Gallery.

Broadcast Television - Royal Caribbean International is proud to offer the following licensed satellite programming available in international waters: CNN International, TCM, Fox News, CNN Español, ESPN, TNT International, Cartoon Network and Boomerang. (Domestic broadcast feeds can only be legally broadcast within 12 miles of the United States coastline.) Brief moments of satellite signal loss can be expected at any time - an inevitable consequence on a moving ship. In addition, some major sporting events may not be available due to blackout and broadcast rights restrictions. We hope you enjoy the widest variety of stateroom television entertainment available at sea.

Calcutta Card Room - Enjoy cards and board games 24 hours. Located inside the Colony Club, Deck 6, this area is also used for other activities and is not private. Please consult the Daily Planner for a list of these activities.

Curfew for Guests under the Age of 18 - For the well-being of our guests under the age of 18, Royal Caribbean International has put a curfew of 1:00 am into effect. After 1:00 am, all guests under the age of 18 must be in their staterooms or participating in an organized Adventure Ocean Program.

Guest Conduct Policy - For the safety, comfort and enjoyment of all guests, we have developed certain guest conduct guidelines for both adults and children. These guidelines cover a variety of areas, including but not limited to: • Smoking • Verbal abuse • Violent and/or unruly behavior • Excessive, offensive language • Possession of an illegal substance • Vandalism • Underage Drinking • Over Drinking

If Royal Caribbean International determines that any guest is in violation of these guidelines, we may be forced to ask the offending party to leave the ship at the next available port-of-call. Please make sure to familiarize yourself with these guidelines. A copy is available at the Guest Relations Desk or in the Cruise Services Directory. Solicitation is not permitted onboard as it is considered a disturbance to other guests. Guests found soliciting will be asked to cease the behavior and all collateral (if any) will be confiscated and discarded. Continued noncompliance will result in departure of the guest from the ship at the next port-of-call.

H1N1 Flu Update - We ask for your assistance in following the advice of medical experts who tell us that some of the best ways to help prevent flu and other illnesses is to: Wash your hands thoroughly with soap and hot water - often.

Cover your mouth and nose with a tissue when you cough or sneeze, and then put your used tissue in the waste basket. If you don't have a tissue, cough or sneeze into your upper sleeve, not your hands. We also discourage the shaking of hands during flu season. Should you experience any flu-like symptoms, please visit our Medical Facility. Like you, we take all health matters seriously. We hope this information is helpful.

Helpful Health Information - Norovirus: With seasonal viruses appearing in the United States, Europe and around the world, Royal Caribbean International, working in conjunction with the Centers for Disease Control, has instituted enhanced cleaning procedures onboard all its ships. You will likely see some of these activities during your cruise vacation. Medical experts strongly suggest travelers pay close attention to washing their hands. The experts tell us that the best way to prevent colds, flu and gastrointestinal illnesses is to simply wash your hands thoroughly with soap and hot water after bathroom breaks and again before eating anything. Your cooperation and assistance with this matter would be greatly appreciated.

Liquor/Tobacco Policy - Royal Caribbean International apologizes for any inconvenience but kindly asks their guests not to bring alcoholic beverages of any kind onboard for consumption. Alcoholic beverages that are purchased duty-free from the Shops Onboard will be stored by Royal Caribbean International and delivered to your stateroom on the last day of your voyage. Alcoholic beverages purchased on the ports-of-call will be returned on the last morning upon arrival in a location to be advised.

A member of our staff will be at the gangway to assist with the storage of your purchases. Important Cigarette Notice: Only one carton of American-made cigarettes will be allowed into the United States. Any guest found with more than 1 carton will be fined in accordance with new Customs regulations. Fines start at \$1,000.

Smoking Policy - For the comfort and enjoyment of our guests, the Radiance of the Seas has been primarily designated as a non-smoking ship. However, we recognize that some of our guests smoke. Therefore, to provide an onboard environment that also satisfies smokers, we have designated smoking areas in many of our lounges and on the starboard side of the open air decks and balconies. We kindly ask all guests to please observe the non-smoking areas and to refrain from smoking pipes or cigars in any of the public areas. These requests are made to provide a comfortable shipboard environment for everyone. Smoking is not permitted inside any guest stateroom; however, guests with balconies may smoke on their balcony. If a guest is in violation of this policy, a fee of \$250 will be applied to their SeaPass.

This policy enables all guests to share equally in the enjoyment of the facilities.

Theater Protocol - Please be reminded that the saving of seats by guests, videotaping and flash photography during shows in the Aurora Theatre is strictly prohibited. The management reserves the right to reserve a block of seats on Deck 6 for our Diamond Plus members and guests staying in suites. Children in the theater must be accompanied by a parent or guardian. We kindly ask that you refrain from using your cell phones and radios in the theater.

Youth Evacuation Plan (YEP) - All children ages 3-11 years must wear a YEP wristband indicating their assembly station at all times. If your children are participating in an Adventure Ocean program, our highly trained Youth Staff will take them to meet you at your assembly station. All children will be supervised until they are reunited with their parents or guardians. Children who do not already have their YEP wristbands may obtain them at the Guest Relations Desk, Deck 4 or from the Youth Staff at Adventure Ocean activities. What do the colors and numbers mean? Colors and numbers correspond to the specific assembly stations.
