★ Captain's Club

We'd like to extend a special welcome to Members of the Captain's Club. Throughout the cruise, be sure to look for information about Captain's Club activities, special events, and onboard benefits right here in *Celebrity Today*. While on board, please keep your Sea Pass Card with you as this will help ensure that you're recognized as a member of the Captain's Club and that you enjoy all of the benefits your membership offers.

If you are a Captain's Club member and your tier level is not printed on the bottom of your SeaPass Card, or if you have any other membership questions, please visit Sue Williams, our Captain's Club Hostess on Deck 5 midship (staircase) portside, during her Desk Hours.

⊗ Celebrity Billboard

In the unlikely event of an emergency, guests should know the location of life jackets in their staterooms. A notice on the back of your stateroom door and information in your I-TV Service Directory provides Assembly Station and other pertinent safety and emergency information.

Notice to Parents - Children between the ages of 3 and 12 are required to wear colored wristbands that indicate their Assembly Stations. You are responsible for ensuring that your children wear these wristbands. In the event of an emergency, put on your life jacket, proceed directly to your Assembly Station and await the arrival of your children. Children will be escorted to their Assembly Stations if they are enrolled in the Youth Program at that time. If they are not enrolled in the Youth Program, the wristband system will allow our fully trained crew members to direct children to their assigned Assembly Stations. You would then be guided from your Assembly Station to the lifeboats in a real emergency.
