MSC Crociere

MSC Cruises takes all possible precautions to ensure that the food offered to its guests is of the highest quality. Certain foods may have been frozen. These foods are defrosted using the most scrupulous procedures that do not alter the organoleptic qualities of the products. United States Public Health advises that eating raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of food borne illness. All menus are subject to change depending on availability. All dishes are available slightly salted or unsalted.
