### Movie Summary:

Bella Swan was not expecting anything out of the ordinary to happen when she moved to live with her Dad in Forks, Washington. But this where her life truly begins. There she meets Edward Cullen, a mysterious and captivating student at her new high school. Bella soon discovers that Edward is hiding a secret, after he impossibly saves her life from a van with his super-human strength and speed. She is determined to unravel his secret, but the truth is more terrifying than she realized. Edward is a vampire. Any normal person would just keep away from him, but Edward and Bella have fallen passionately and unconditionally in love with each other. And so begins their forbidden relationship between a human and a vampire. But the young lovers soon discover that their troubles are only just about to begin.
