“Celebrity Life”

Life has always been good on Celebrity, and now, life is even better. Introducing “Celebrity Life” a new series of palate-pleasing, life-enhancing activities and events designed to bring you the most enjoyable sophisticated experiences at sea.

We're bringing you industry-first alliances with some of the world's leading authorities on topics ranging from languages to destinations to Molecular Mixology. This new intellectually-enriching program is sure to deliver something you have always wanted to do or learn, and maybe a few things you never even thought of.

Built on the long-established pillars of the Celebrity brand – Culinary, Enrichment, and Wellness, Celebrity Life offers three distinct programming tracks: “Savor,” “Discover,” and “Renew.”

Savor the moment

The savor series has been shaped by our very own award-winning chef Jacques Van Staden to take an already stellar culinary experience to new heights with eight new wine enrichment events, six spirits and mixology tastings, and over seven different interactive programs. The Savor series is centered around Celebrity Cruises' industry-leading food and beverage programming: “Celebrity Vineyards,” “Signature Spirits” and “Food as Art.” Your host, “The Foodie,” is Sarah Van Rooyen.

Discover a world of possibilities

The Discover series offers over 60 enrichment events. Thanks to Celebrity's

partnerships with organizations such as Rosetta Stone and Smithsonian Journeys, you are sure to create memories like no other at sea. You can achieve a working knowledge from your choice of 13 languages during Language Learning with Rosetta Stone. On select sailings, you can gain new insight on a vast array of topics, including history, culture, art, and architecture, from world renowned Smithsonian Institution experts. Your host, “The Cosmopolitan,” is Ian Cresswell.

Renew yourself

Renew introduces a more goal-oriented approach to classes, seminars, and treatments. Renew is available onboard through AquaSpa by Elemis, and offers an expansion of spa and wellness services designed to help you feel better, live longer, and look younger. Your spa experience has been redefined with an innovative mix of beauty and wellness options ranging on everything from deluxe facials to acupuncture treatments to gravity training. You can choose from over 40 “Ageless,” “Energy” and “Longevity” seminars, fitness classes or services. Your host, “The Guru,” is Matt Swenson.
